

Dear Sir,

Please accept this letter as formal notification that I am resigning from my position as Internee with EK Technology. I can't continue with you, due to the extra pressure of my thesis and some more personal problems.

Thank you so much for the opportunity to work in this position for the past days. I've greatly enjoyed and appreciated the opportunities and am more than grateful for the encouragement you have given me in pursuing my professional and personal growth objectives. And also I've learned so much from you, which I will certainly take with me throughout my career.

I wish the company continued success, and I hope to stay in touch in the future.

Sincerely,

Md. Nahid Hossain
